

## Photo Shoot – Showcase Your School

What does your school look like? Send GigggleIT a photo to share with others. Your photographs might include:

- buildings, sculptures (manmade and natural)
- gardens or surrounding countryside
- native wildlife
- messages from your members
- school displays, best work/brag board
- your school library
- sunsets and weather phenomena
- anything special, ....

Make sure any students in the photograph cannot be identified. Check out the Cybersafety document @ <http://www.iasl-online.org/sla/gigggleIT/contact.htm>

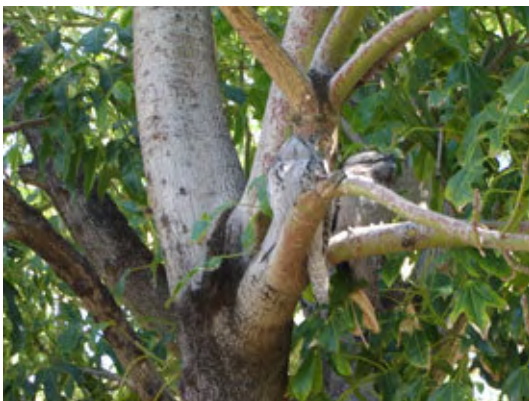

Here are some examples.

St Andrews Anglican College, Queensland Australia

Concordia Lutheran College, Queensland Australia

Mopokes in a tree, Roleystone primary School, Western Australia

Our library, Carine Senior High School, Western Australia

## How will it work?

- Step 1: Complete a **registration form** for the GiggleIT Project @ <http://www.iasl-online.org/sla/giggleIT/contact.htm>
- Step 2: Check out the **Getting Ready** section in the **For Teachers** section on the web site @ <http://www.iasl-online.org/sla/giggleIT/ready.htm>
- Step 3: Send in your student contributions to [giggle\\_it@live.com.au](mailto:giggle_it@live.com.au) clearly stating the name of the project and your school.
- Step 4: Student photographs will be published first on your school webpages @ <http://www.iasl-online.org/sla/giggleIT/regions.htm>
- Step 5: Competition entries will receive a certificate recognising their work.
- Step 6: The GiggleIT Team will choose 20 entries for display at next years 2010 Annual IASL Conference in Brisbane, Queensland Australia @ <http://www.iasl-online.org/events/conf/2010/>
- Step 7: IASL delegates will vote for the winning entry and 5 runners up.
- Step 8: Winning schools will receive GiggleIT prizes!
