(Year)

1. In your folder you will find an list of books you may like to read this year. The books are grouped together in literary genre (themes) such as Australian, survival, Science Fiction, Fantasy, adventure, humour, animals, supernatural, relationships, family, other times.
2. You have to read at least **ONE (1)** book from each genre list.
3. All of these titles are available in the School Library. You may also find them in your local Public Library.
4. For each genre (theme) there is also an activity sheet with a project for you to complete. These projects are part of your English assessment and will be displayed in the classroom and the library to tell others about the titles you have read. You must complete ONE (1) activity for each genre (theme), even if you read every title listed for the genre.
5. Apart from the titles recommended in the **Reading Guide**, every book you read this year counts for **RIB-IT**. Other titles you read can be listed on the **Extra Reading** page.

To show which books you have read and what you thought of them, colour over their titles. It's an easy way to see:

- how many books you have read.
- To rate these titles, colour **GREAT** in **RED**, **OK** in **BLUE** and **YUK!** in **BROWN**. Use these colours every time you finish a book. There will be coloured pencils available in the Library.
- To keep track of your reading, write down the date you start a title and the date you finish it.
- You will have a **RIB-IT** period each week, when you can be in the Library Resource Centre/Library. The opening times for the Library Resource Centre/Library are:
- (Place opening times here)
