

## **BRIEF INFORMATION/ OVERVIEWS OF THE PROCESS**

[Five steps to writing a good grant application](#). NSW Government.  
A very brief coverage of the main points in writing grant applications.

[Getting your grant proposal budget right](#). By Kramer, H. J. (2014).  
This site offers simple but useful information on what to consider for getting the budget aspect of your proposal right.

[Preparing a submission or proposal: Basic steps](#) Volunteering Qld. (n.d.).  
Two page information sheet on the basic steps in preparing a submission or proposal.

[What do winning proposals have in common?](#) By Carnow, G. (2014).  
Brief summary of the ten main elements in winning proposals.

[Writing a grant application](#). Funding Centre. (n.d.)  
A clear simple Australian site with the basics of grant-writing clearly set out. It also provides a set of questions to answer to see if you are ready to apply for a grant. In addition it offers a budget template to download (require a login which may cost) and a helpsheet to calculate volunteer labour. These tools may assist in fundraising submissions.

[Writing a grant proposal](#). By White, C. & Castelloe, P. (n.d.).  
A brief overview of the process for writing a grant proposal from the Center for Participatory Change.
