Wishing you all a very Happy Diwali (a festival of lights) and Happy New Year from the students and staff of Sattva Vikas School at Ahmedabad, Gujarat, India.

We enthusiastically celebrated International School Library Month in the week starting from 3rd Oct. 2017-7th Oct. 2017 at Sattva Vikas School. Our School Principal Ms. Jayashree Joshi and school coordinator Ms. Bhawna Pandit encouraged and guided our ISLM celebrations wholeheartedly.

An International Perspective for emulating best practices in school libraries has happened by International Association of School Libraries. Librarians and teachers worldwide are collaborated to work for the upliftment of school Libraries. We heartily thank the ISLM Committee for organising and facilitating International School Library Month with some awesome and informative activities.

Our School is proud to be a part of ISLM Bookmark Exchange Project.

The 2017 theme for ISLM "Connecting Communities and Cultures" is an interesting and informative theme. Students studied, investigated and researched about several communities and cultures of the world.

We are happy to acknowledge that we are swapping our Bookmarks with a wonderful school "Osnovna Skola Matije Vlacica Labin" of "Zelenice 4 52220 Labin" in "Croatia" under the librarianship of Silva Tencic Stemberger.

Croatia is a beautiful country in Central Europe. With powerpoint presentations on Croatia we showed the rich history and present of Croatia to our students. We feel this event binds the culture of different continents in one thread.

We whole-heartily thank ISLM chairperson and 2017 ISLM Bookmark Exchange Project Coordinator Breege O'Brien for opening a gateway of Unified International Projects.

Apart from this, in this week we had wonderful library activities like Rhyme Zone, Book-Buffer, card-reading of interesting stories, Story-Theater, Role-Play, Bio-Poetry, Scenes of William Shakespeare works, know wild-life, Dialogic Reading, Book-review of Roald Dahl and Enid Blyton works. We also pay a tribute and acknowledge the works of our great Indian writers – Ruskin Bond, R.K.Narayan, Sudha Murthy, Gijju Bhai and Prem Chand.

We had a great and enjoyable week....

Regards
